## POWER OF PAINT

Showplace painted finishes give the impression of a solid-color surface, but with our Showplace and ShowplaceEVO lifetime-warranty quality. Our multi-step process includes a final topcoat with an oven-baked varnish for superior durability. Standard paints and Vintage paints are offered in your choice of satin or matte sheen on rustic alder, red oak, and paint grade/HDM. Paints can be accented with no-charge, hand-wiped glazing or hand distressing on non-slab door styles. Paints can also be specified in the Vintage, Refined Vintage, Brushed Vintage, and Subtle Vintage finish packages.

## SHOWPLACE COLORSELECT

The ColorSelect option gives you the ability to choose your exact hue from the Sherwin-Williams fan deck, with more than a thousand choices. This allows you to coordinate your cabinetry with other painted elements in the home. Talk to your Showplace designer for full details.

Have your heart set on a specific paint color from another paint brand? Not a problem. The Showplace ColorSelect Custom option frees you to create cabinetry in any paint color, from a suitable swatch or chip. Some limitations apply, so talk to your Showplace designer about this special offering. Available in Showplace overlay and inset lines.
